

PERMANENTE CREEK TRAIL

Construction continues on a project to extend the Permanente Creek Trail from its current terminus on the north (Bay) side of Highway 101 to the south side of Old Middlefield Way. The project includes constructing a pedestrian/bicycle crossing over Highway 101 and a tunnel under Old Middlefield Way. The project is expected to be complete in early 2012. Construction will cause occasional traffic delays on Old Middlefield Way and Highway 101. For more information, visit www.mountainview.gov or call the Public Works Department at (650) 903-6311.
